

**PERMISSION
NAME/ IMAGE / VOICE**

I _____ the undersigned, (name of company or organisation) give, for free, INRIA and the Quantitative BioImaging (QBI) Society, permission to:

- 1- Film and record the talk I will give during my lecture in the seminar, " _____
_____ " (title), on the _____ (date).

- 2- Use my name, my image and my voice for their activities of dissemination of the scientific information, except any commercial use, in the following conditions:
for support on the **Internet** (web site of INRIA: <https://videos-rennes.inria.fr/>; web site of QBI Society: <https://www.quantitativebioimaging.com>) and for all or parties of the following territory: **worldwide** (owing to specific nature of internet)

This right to use my name, my image and my voice includes: the copyright, the right to modify and the right of diffusion/circulation/performance.

INRIA and the QBI Society can, in particular:

- make the physical fixation of my name, my image and my voice by any appropriable process suitable to make the support specified above, by any means of printing or recording.
- add any modification to the first fixation and in particular : make any composition or cutting, change the colors, the contrast and the background,
- communicate my name, my image and my voice to the public.

This permission is allowed for a duration of 20 years from the date of signature specified below.

In Rennes, in two original counterparts, the _____ (date).
